

# Sarix Value 2 Series

Security made simple

2 MP

Simplify your security without sacrificing quality with Pelco. The Sarix Value 2 Series gives you the features you need at a price you want so that you can expand your coverage without increasing your budget. No frills, just security.

## Focus on what matters most

This camera provides necessary alerts, notifying you if someone enters the scene or attempts to tamper with the device, keeping your security simple and focused on what truly matters.

## Easily connect to protect

Eliminate the stress that comes from your security setup. Install and activate your Value 2 Series camera on your existing video management system with ease.

## Security that shines

The camera understands when the sun goes down or the lights turn off and will adjust the imaging, so you can see perfectly no matter the condition.

## Cover your tracks

The Sarix Value 2 Series<sup>1</sup> can withstand vibrations and shocks to capture critical details even within a moving train.

## Never miss a moment

Outages can leave your site vulnerable. Protect your security with uninterrupted operations even during power disruptions.
